REDS, NAZIS BOTH CLAIM SUCCESSES

Intense Fighting Continues On Five Sectors Of Eastern Front, Nearing Climax

By UNITED PRESS

Adolf Hitler's unprecedented blitzkrieg offensive against the Soviet Union entered a climatic phase today with both sides claiming the upper hand.

Fighting continued intense between tanks, airplanes, artillery and infantry on five fronts as the Russians sought to stem Nazi drives on Moscow, Leningrad and Kiev in the Ukraine, but it appeared no definite decision had yet been reached on the most important central front around Minsk.

On the central front, the German high command claimed destruction of the bulk of trapped Russian armies (possibly 500,000 men) in the Bialystok area and destruction of 40 enemy tanks on the whole front. Nazis claimed that progress was still being made in panzer thrusts through Minsk toward Smolensk and Moscow and a rumor relayed from Scandinavia claimed German tanks had circled heavily-bombed Smolensk and swept on toward Moscow, 230 miles away.

The Russian communique, however, said that an unspecified number of advance German tanks had been destroyed in the Minsk area and that the Red air force had checked the advance of enemy motorized forces, which must move speedily into the break-through sector in order to capitalize on the German panzer gains.

The Germans did not claim officially the occupation of Minsk, although an unconfirmed Scandinavian report said the town had been taken and that large Russian military forces were stranded, because of bombed railroad lines, in Smolensk, part of which was afire.

On the northern lines, the Germans, having taken Riga, advanced to Ventspils (Windau) in Latvia and pushed on toward Estonia and Leningrad, according to the Nazis. The Russian communique said that heavy fighting still was in progress in the Baltic area and that Nazi spearheads had been damaged by counter-blast attacks.

On the far northern front the Nazi command said an offensive (Continued on Page Three)

Lindbergh Scores Red Godlessness

Confusion Of Ideologies In Progress Of War Is Cited For S. F. Audience

SAN FRANCISCO, (UP) — Charles A. Lindbergh told an America First rally of 12,000 persons last night that he would rather the United States would ally "even with Germany" than with Russia.

"I would a hundred times rather see my country ally herself with England, or even with Germany with all her faults," he said "than with the cruelty, the godlessness and the barbarism that exists in Soviet Russia."

"An alliance between the United States and Russia should be opposed by every American, by every Christian, and by every humanitarian in the country."

Lindbergh said Russia and Germany would have been at war two years ago if British and French "intervention" had not forced the war onto them. Now the issues of the war are in complete confusion, he said.

"When it started," he explained, (Continued on Page Three)

SNMME CLASSES STARTING SECOND HALF OF SCHOOL YEAR

This is the "Christmas vacation" of the summer schools of the county.

Pino Grande school started the second half of the year on Tuesday and Lake Valley and Sly Park Schools will end their mid-year vacation by starting classes on July 7th.

July 14th is the date set by Indian Diggings, Mountain, Willow, Canyon Creek and Silver Fork schools, for resuming class work.

Nazi Forces Push Into Soviet

Germany's invasion of Russia began along a front extending from the Arctic to the Black Sea, with Finnish and Rumanian troops also pushing into the Soviet from their frontiers. Nazi bombers promptly attacked Zhitomir, Kiev and Sevastopol while Red bombers raided East Prussia. Brest-Litovsk was the scene of bloody fighting.

'41 DEFICIT 5 BILLIONS

Nation Budgets Eleven Billion Dollar Deficit For New Fiscal Year

WASHINGTON, (UP) — Official treasury figures showed today that expenditures for the 1941 fiscal year amounted to \$12,710,000,000 including \$6,048,000,000 for defense.

The net results of federal financial operations during the fiscal year which ended Monday night were announced today by Secretary of the Treasury Henry Morgenthau Jr.

Net receipts for the year were \$7,607,000,000 leaving a net deficit of \$5,103,000,000.

The 1941 records dwarfed by comparison the government's financial operations in 1940 when receipts amounted to \$5,387,000,000, and expenditures were \$8,998,000,000 with a 1940 net deficit of \$3,611,000,000.

In the new fiscal year, receipts, expected to be bolstered by the administration's new tax program probably will amount to more than \$11,000,000,000 against estimated expenditures of \$22,000,000,000. Thus a deficit at the end of the 1942 fiscal year of about \$11,000,000,000 is indicated.

The total spent for national defense in 1941 exceeded by \$4,489,000,000 the defense item for 1940.

Defense spending in 1941 included:

War department, \$3,635,000,000.

Navy, \$2,217,000,000.

Presidential defense funds, (selective service) \$121,000,000.

Emergency ship construction \$12,000,000.

Lend-lease, (defense aid in general), \$21,000,000.

Defense housing \$42,000,000.

The increase in receipts for 1941 over 1940 consisted largely of \$1,345,000,000 in heavier income and excess profits tax revenues.

"NEVER ACCEPT PUBLIC OFFICE AGAIN," SAYS HERBERT HOOVER

WASHINGTON, (UP) — Former President Herbert Hoover today announced he is "irrevocably opposed" to the suggestion that he head an anti-interventionist presidential ticket in 1944 with Charles A. Lindbergh as a vice-presidential running mate.

He added he will "never again accept public office."

Dust Gets Court Dusting

FORT WORTH, (UP) — The woman before Judge Gilmartin was indignant. "Your honor," she said, "there was so much dust on the meter where I parked it looked as if there was plenty of time left. Those meters need a good dusting."

AID CHECKS DELAYED

Income and Resources Deductible In Full Under New Legislation

Following a visit at Sacramento Monday, Chairman Cyril Heuser, of the Board of Supervisors, reported Tuesday afternoon that since federal funds are delayed, the issuance of July checks for all aids will not be possible earlier than July 15.

Supervisor Heuser pointed out that the new law governing old age security and aid to the needy blind is effective as of July 1, 1941. Under the law, home owners requiring aid in this classification will be granted free rent according to the assessed valuation of their property. This, he explained, is required in order that the California law meet the requirements of the federal social security act.

All income and every resource of the client is deductible in full from his aid check.

MISS MAYME PATTERSON DIED TUESDAY NIGHT; SERVICES SATURDAY

Funeral services will be held Saturday afternoon at 2 o'clock at the Dillinger mortuary chapel for Miss Mayme Patterson, 80, who died late Tuesday night at a local hospital.

Interment will be at old City Cemetery, Rev. J. R. Rudkin officiating.

Miss Patterson was a native of San Francisco and came to Placerville about forty-five years ago, making her home here continuously since that time.

She was kind to and considerate of others and in her earlier life indulged in many quiet charities in her circle of friends and acquaintances.

She had been a hospital patient for about a year past.

Whether there are surviving relatives is not known.

KNOX SPEECH DRAWS FIRE IN CONGRESS

Navy Secretary Declares He Will Stick By His Proposal For Navy

WASHINGTON, (UP) — Secretary of the Navy Frank Knox today declared he will stick by his recent speech in which he urged the use of the Navy to "clear the Atlantic of the German menace."

Knox, subjected to a barrage of congressional non-interventionist criticism as a result of his speech, said he had nothing to add to his words at this time.

Anti-interventionists charged that he advocates war with Germany despite assertions that President Roosevelt seeks to maintain peace.

The anti-interventionists said that Mr. Roosevelt had told his legislative leaders that "he does not want to take the United States into war" and complained that Knox appeared to be proposing armed conflict without congressional sanction.

There was a smattering of talk on Capitol Hill that Knox should be impeached. There appeared to be no substance behind those threats. But that Knox would be asked to appear before the senate naval affairs committee next week to say whether there already has been any "shooting" between American and German naval units in the Atlantic appeared likely.

President Roosevelt's contribution to the controversy suddenly arisen around his secretary of navy was a firm "no comment" on Knox' address Monday night advocating immediate use of the navy to sweep the Atlantic clear of German forces. But Mr. Roosevelt did express at Hyde Park the "hope" that the U. S. could keep out of the war, although he refused to accompany that expression with any statement of conviction that this country would be able to remain at peace.

Knox' contention that now is the time to strike at German naval forces aroused congressional non-interventionists to furious activity comparable to that with which they assailed suggestions of convoying merchant vessels on the Atlantic.

El Dorado O.E.S. Fete Birthday

Chapter In Vacation For Summer To Reconvene On Friday, September 12th

El Dorado Chapter No. 499, O. E. S., observed its thirteenth anniversary at its meeting on Friday at the Masonic temple at El Dorado.

On adjourning, the chapter declared its annual summer vacation and will resume its regular schedule of meetings on Friday evening, September 12th.

Members of Mountain Fern Chapter, at Georgetown, and of Fallen Leaf Chapter, of Placerville, attended the meeting and joined in the program of games and entertainment which followed. At the close of the evening, refreshments were served.

Two-Hour Search Locates Small Tot Under House.

The two and one-half year old son of Mr. and Mrs. Ernest Keller disappeared early Wednesday morning and when the family was unable to locate him after an hour's search, city authorities were asked to form a posse.

The family had found the baby's bath robe and the posse took up the trail from that point, locating the youngster under a neighbor's house, where he was having a grand time.

Russell Anderson, city works superintendent, who found the baby suggested that he was merely seeking a cool place to play.

Mr. and Mrs. A. W. McMahon, of New York City, are vacationing with Mr. and Mrs. Hilman Solsrud in the course of a "circle" railroad trip which brought them west over the southern route and will send them east through Canada. Mr. McMahon is a proof-reader in the composing room of The New York Herald-Tribune and a brother-in-law of Mr. Solsrud.

CHUMPS BEAT CHAMPS, 7-2

Bowling Awards Made; Colored Ghosts Stage 9-Frame Laugh Fest

It was a great night for softball at Marcus P. Bennett, Jr., Memorial Park Tuesday night, and there was some "great" softball.

The first visit of the season of the Colored Ghosts, that traveling band of professional comedy softballers who called twice last year, was one attraction.

Another was a "grudge" game between the "Chumps" and the "Champs" of the county bowling association, and the third feature of the evening was the presentation of bowling awards to winners in the recent county bowling championships.

For this, L. J. Anderson was master of ceremonies, and the awards went to the winners as previously announced.

Opening event of the night was the bowlers' softball game. The Chumps claimed a 7 to 3 win—and with no handicap. Their lineup included De Witt Le Bourveau, catcher; Russell Anderson, pitcher; Curt Coppin, first base; Joe Beach, second base; Molinari, right field; E. Hanley, third base; Ripley, shortstop; Whigham, left field and Bron Smith, center field.

The "Champs" had Paul Smith, catcher; L. J. Anderson, pitcher; Peterson, short stop; Dr. L. B. Rantz, center field; Harry Jasper, first base; Gertz, second base; Lloyd Raffetto, right field; Murray, left field; Olmstead, roving short and Barrett, third base.

Bowling awards were made between games.

The fun-fest of the night was the game between the Ghosts and a picked team from various softball association teams. The Ghosts, as is their custom, grabbed a lead in the first inning and then introduced the comedy.

Their 3 to 0 lead was all they needed but they put on one more in the sixth and the nine-frame show closed with a 4 to 0 count. The local team went hitless and also runless.

The antics of the visiting professionals—too numerous to review—proved the equal of a vaudeville show and the earnestness of the home boys only added to the fun.

The local lineup included Edelman and Neil, shortstops; J. Vivian and Carsten, roving shorts; Brunello and Beach, third base; Varozza and Jackson, first base; Webster, left field; P. Vivian and Pierce, center field; Scott and Martinovich, right field; Del Carlo and Robinson, second base; Winstead and Ammons, pitchers; and Schroth and Facchini, catchers.

A suit was on file Wednesday in Superior Court in behalf of Marilyn Payne asking divorce from Leonard G. Payne on grounds of cruelty. The complaint states the pair wed November 10, 1940 and separated March 25, last.

Mr. and Mrs. Hilman Solsrud are taking their annual vacation and the Workmen's Store is under the personal management of Proprietor and Mrs. C. A. Smith.

DOG OWNERS' HELP ASKED

City Considering Putting Pound Man On Job During Balance Of Summer

The co-operation of dog owners of the community in the interest of keeping their pets under control and within reasonable restriction during the coming few months was invited by Chief of Police Ralph W. Jones in a statement on Wednesday.

"Dogs running at large sometimes constitute a traffic hazard and during our season of heavy tourist travel it will be especially desirable that dogs be restricted for this season," he declared.

"Owners of dogs are perhaps not as familiar with this phase of dog behavior as are the police officers, who daily see the animals at large on the streets, crossing through traffic and adding to the hazards of automobile driving."

"The health situation, with particular regard to rabies, is good up to this time and we have had no rabies for months. The 'dog days' are ahead of us and reasonable control over the family pet may save him from infection, possibly prevent the injury of some person, and save the dog's life."

"It would hardly be fair to put a pound man at work without notifying the public generally," Jones concluded, "and it is possible that if we can all co-operate in the matter, it will not be necessary to employ a pound man."

TOM McGRATH RECOVERING FROM HARROWING MISHAP WHILE LOGGING

Friends of Tom McGrath will be glad to know that he is getting along very well at Placerville Sanatorium following a harrowing experience last Saturday.

Employed with Albert Martin, Jr., getting out trees for piling in the Riverton vicinity, McGrath was working alone with a tractor last Saturday when he got off the machine and left the engine running while he made an adjustment in the choke line behind the tractor.

The machine rolled upon him and pinned him down by one leg.

Tom lay there about an hour before a co-worker came along and discovered his plight. He was given first aid attention and then drove his own car to Placerville for further treatment.

Examination showed that the muscles of the right leg were rather badly bruised, but there was no fracture.

U. S. WILL ACT TO INSURE ESSENTIAL DEFENSE PRODUCTION

HYDE PARK, N. Y., (UP)—Any action interfering with essential defense production will result in federal intervention — perhaps Army seizure, to maintain production.

The President issued this warning today as he turned back to the North American Corporation the Ingleswood factory which the Army took over on June 9th when a strike interrupted work on the manufacture of airplanes.

\$550 AWARDS FOR WOMEN AT FAIR

Greater Emphasis This Year On Homecraft And Domestic Science

The 1941 County Fair, to be held the third weekend in August, will give greater emphasis this year to matters of particular interest to women of the county, it was announced Wednesday morning.

One of the major exhibit tents of the fair will be reserved for women's activities and women's exhibits and a total of \$550 in premiums will be awarded for exhibits in domestic science and fancy work.

Domestic science premiums aggregate \$450 and are approved by the state. It was explained by Thomas Chard, business manager of the fair. However, the state law does not provide premiums for fancy work and to encourage the display of this type of work the County Fair association has offered premiums aggregating \$100.

Plans of the fair board contemplate the installation of exhibits in booths around the edge of the tent, with the center portion being reserved for chairs. One end of the tent will have a stage so that the tent will serve as an exhibit hall and also as an auditorium center for women's activities at the fair.

The fair board is arranging to have demonstrations in various phases of home making conducted by a group of some of the better known home economists of the state to add further to the attractiveness of the women's headquarters at the fair.

Paid Escort

So far as Cary Craig was concerned, Robin was just another spoiled rich girl. And he made no great effort to hide what he thought. Which was something of a mistake. He was too poor to afford outspoken opinions. And Robin was to wilful not to determine to make him take them back. She found her chance for revenge when she learned he worked for an escort bureau.

That's the start of Nelly Graf's newest, liveliest serial. You'll be as astonished as Robin was at the outcome. Look for the first chapter

CAMINO NEWS NOTES

Mr. and Mrs. Ed Carter (Mary McGregor) who were married recently were the honored guests at a bridal shower given in the community hall by Mesdames Wade Pirtle and Gordon Woodridge Friday evening. Music by Mrs. Eveline Fanelle's orchestra and singing were diversifications of the evening. Approximately seventy attended and an enjoyable evening was spent. Many gifts were received and a huge wedding cake decorated with a miniature bride and groom, made by Mrs. William Dietz, was cut and served with cake, chocolate and coffee.

Mr. and Mrs. William Baird returned last week from their trip in the eastern states.

"Germany and Russia were lined up against England and France. Now, less than two years later, we find Russia and England fighting France and Germany.

"Winter before last, when Russia was fighting Finland, the interventionists demanded that we send all possible aid to Finland. Now, when Russia is fighting Finland again, they demand that we send all possible aid to Russia.

"The murderers and plunderers of yesterday are accepted as the valiant defenders of civilization today; and the valiant defenders of yesterday have become the wicked aggressors of today.

"Finland and France are now our enemies; Russia our friend. We have been asked to defend the English way of life, and the Chinese way of life. We are now asked to defend the Russian way of life.

Melvin Gallagher and Harry Charwick left on a business trip to Oakland Monday.

The past warm days seem especially warm following so closely on our nice recent cool spell.

The main topic of conversation is the mountains and we hear several families and parties of congenial friends will spend the Fourth of July holidays at least far up in the tall timber.

Cards have been received announcing the marriage on Saturday, June 28th of Miss Thelma Hume, of Berkeley, and Wayne Newton, of Davis. The wedding took place in the community church with relatives and close friends in attendance. The bride, a charming girl, is the only daughter of the late Mr. and Mrs. Wm. R. Hume, and relatives and friends here extend all good wishes to her and her husband.

YOUNGS NEWS NOTES

Five year old Dossie De Groot had a narrow escape from getting bit by a rattler. The little girl was playing where her parents are putting up a log house. Seeing the snake she called to her four-year-old brother to help her catch the "lizard." A big police dog watching the children at play rushed at the child and pushed her to one side just as she was reaching for the snake. Mr. De Groot got a shovel and killed the snake which had eight rattles.

Mrs. Art Hutton returned Monday from Vallejo where she had been since Saturday spending the weekend with her husband and also Mr. and Mrs. Ed De Witt.

Fred Wentz came down from Tahoe Valley on Saturday to attend the dance at Pleasant Valley. Fred went from the dance back to Tahoe Valley to be at Work Sunday morning.

The dance at Pleasant Valley had many new faces among them being Mr. and Mrs. Leo Oswald; and Miss Taylor, granddaughter of Mrs. Ida Tappan of Youngs.

A larger crowd than usual attended the dance and most of them are planning on following the music on Friday the 4th to the dance at Aukum Hall. Mr. Loveless, the new violinist, put out some very good music. The supper at midnight was excellent with many compliments for some of the dark cake.

Miss Alberta Frey was up from Martinez on Saturday visiting with her aunt, Mrs. Elmira Hutton, and her father, M. W. Frey, of Bucks Bar.

Ernest Gray was hoeing his raspberries on Tuesday morning and hoed up a rattlesnake with eight rattles. Ernie said the snake never rattled even after it was killed with the hoe.

Reds, Germans Claim Success

(Continued from Page One)

had been started from Finland and the Russians reported their forces fighting stubbornly in defense of the Arctic area around Murmansk. Unconfirmed Scandinavian reports said Murmansk had been occupied after fierce fighting along the Arctic coast.

On the southern (Ukraine) front the Germans reported they had captured or destroyed 100 enemy tanks in a big battle at Zloczow, 50 miles east of Lwow, and that another column advancing from Luck had engaged Soviet tanks in a big battle near Duvno, on the road to Kiev. A total of 120 Russian tanks were claimed captured at Duvno. The Russian communique reported that heavy counter-blows had been inflicted on the enemy on the south sector.

Both London and Moscow were cautiously encouraged by the fury with which the Red army was hitting at German advance units and attempting to cut off the German spearheads at the only points they have penetrated the pre-war defenses of the Soviet union. But there was as yet no definite cause for optimism on the part of the allies and the Germans again made the most spectacular claims.

New Record of Growth Shown In Bank of America Midyear Report

Defense Effort Promoted While Business Served

Another period of outstanding progress is revealed in the mid-year statement of condition of Bank of America, California's statewide bank, as of June 30, 1941. President L. M. Giannini pointed out that the record was achieved in the face of the new problems and substantially increased expenses due to the provision of extra staff and facilities to promote the defense effort, as well as rising costs generally and increased taxes.

Deposits stood at \$1,685,488,000, an increase of \$189,466,000 over the comparable date of June 29, 1940. Total resources were \$1,877,738,000, a gain of \$201,097,000 in the same period.

Loans and discounts outstanding aggregated \$844,466,000 which is \$119,591,000 higher than a year ago.

Earnings for the six months were \$14,067,000. From this \$2,216,000 was reserved for depreciation of bank premises and amortization of bond

stock retirements. Under this provision, \$1,200,000, representing the par value of the preferred stock so far retired, has been set aside for future use either for an increase in the common stock or an increase in the par value of existing shares.

"This report is particularly gratifying," said President Giannini by way of comment, "because in the period covered California has been geared up to do a major job in defense production and our first thought has been to cooperate. Full facilities of the Bank of America have been made available for the defense effort, without overlooking the requirements of all other business. This has required increased staff and expanded facilities wherever it was possible to meet the needs.

"Strenuous times are here because of the preparedness effort, and more readjustments in our economy lie before us, but private enterprise remains a very important factor in the American scene and is in fact an essential in the cooperative effort necessary to generate America's full power."
